SVEERA
-AYURVEDA-

Sveera Ayurveda is established to develop holistic beauty and health products using the ancient knowledge of Ayurveda. Through meticulous study, research, and experiments on principles of Ayurveda, we have developed unique products to rejuvenate and maintain healthy skin, body, and mind. Our products combine age-old Ayurvedic beauty and health routines with modern day contemporary needs to provide effective and easy to use beauty and health solutions. All our products use naturally-grown and carefully chosen organic ingredients found in western ghats and over Indian subcontinent. We at Sveera Ayurveda are passionate about helping people achieve their best physical, mental, and emotional self through our carefully crafted products and health consulting.

Shampoo

A natural herbal shampoo enriched with Amla, Neem, Shikakai, and Reetha that gently cleanses while nourishing hair and improving its texture.

- Gently cleanses without stripping natural oils

Hair Oil

Hair Oil

A revitalizing herbal blend of Coconut Oil, Neem, Brahmi, and Bhringraj crafted to deeply nourish the scalp and strengthen hair from root to tip.

- Strengthens hair roots & reduces hair fall
- Controls dandruff & soothes scalp irritation
- Promotes hair growth & prevents premature greying

Abhyang Oil

A specially developed therapeutic massage oil infused with Turmeric, Neem, and Sandalwood rooted in the ancient Ayurvedic practice of Abhyanga.

- Strengthens muscles, bones & joints
- Balances the three Ayurvedic doshas (Vata, Pitta, Kapha)

Chyawanprash 500g

A time-honored Ayurvedic elixir crafted with Amla, Ashwagandha, Guduchi, and Manjishtha to strengthen immunity, enhance vitality, and promote holistic well-being.

- Boosts immune system & overall health
- Enhances energy, stamina & vitality

Chyawanprash 250g

The same trusted Ayurvedic formula – a rich blend of Amla, Ashwagandha, Guduchi, and over 40 natural herbs – available in a convenient, trial-friendly size.

- Strengthens immunity & daily defense system
- Supports respiratory & digestive systems

Ubtan Powder

A classic Ayurvedic skin treatment blending Neem, Haldi, Sandalwood, and Manjishta — brought together to meet modern skincare needs.

- Reduces dark spots, pigmentation & wrinkles
- Improves overall skin tone & complexion
- Antibacterial properties for healthier skin

Ubtan Soap

Inspired by India's age-old beauty ritual, this traditional Ubtan Soap combines Turmeric, Neem, and Sandalwood to gently exfoliate and brighten the skin.

- Natural exfoliation to remove dead skin cells
- Reduces tan, dark spots & wrinkles
- Brightens complexion with herbal actives

Rose Soap

A delicately crafted soap infused with the pure essence of Rose, known in Ayurveda for its deeply nourishing and skin-softening properties.

- Deeply moisturizes & keeps skin soft and supple
- Rose extract soothes redness, irritation & inflammation

Charcoal Soap

Powered by activated charcoal, this detoxifying soap deep-cleanses pores and draws out impurities from within.

- Deep detox & thorough pore cleansing
- Removes blackheads & reduces pore size
- Controls oil & reduces acne breakouts
